

Claremont NH Senior Center & Best of Times Travel Proudly Present

New York City

Date: October 13-14, 2017 (Friday - Saturday) 2 Days / 1 Night

There's nothing quite like the allure of New York City and we've taken it to a whole new level. Enjoy the very best of the Big Apple as we point out some of the great sites it's known for and allow you the traveler to enjoy the city at your own pace as well. **Our hotel is located in the heart of NY City - the Luxurious Roosevelt Hotel on Madison & 45th in the heart of midtown and in walking distance to the major sights.** Experience the quintessential New York City hotel, where classic elegance meets contemporary luxury. Opened during the Jazz Age, The Roosevelt Hotel impresses with its grand architecture and spectacular interiors beautifully restored to their original brilliance. The "Grand Dame of Madison Avenue" is the pinnacle of classic New York City glamour and an iconic Manhattan landmark. Our first stop in Manhattan is at South Street Seaport for some free time and lunch on our own. If you haven't purchased your Broadway theatre tickets ahead of time there is a discount ticket booth in the area so you can purchase a ticket to a show. Then it's onto the **September 11th Museum and Memorial**. The National September 11 Memorial is a tribute of remembrance and honor to the nearly 3,000 people killed in the terror attacks of September 11, 2001 at the World Trade Center site, near Shanksville, Pa., and at the Pentagon. Your admission to the memorial is included and you will have time here on your own for a self-guided stroll to reflect on this amazing site. On the second day of our program we will take the ferry to both **Liberty and Ellis Islands**. See lady liberty up close and personal with your included admission to the base of the statue. We ride over to Ellis Island which was the gateway for over 12 million immigrants to the United States as the nation's busiest immigrant inspection station from 1892 until 1954. Enjoy time here to explore the museum and enjoy some lunch on our own. The time in between your included touring sights is on your own to explore the city at your own pace. Visit sights such as St. Patrick's Cathedral, Times Square, Top of the Rock, an NBC Studio Tour, or others. You may decide to take in the great shopping on Madison or 5th Avenue! Visit one of New York's many museums. Enjoy the nightlife of New York by taking in a Broadway play. The sights of New York City are within walking distance or a short taxi ride from the Roosevelt Hotel. This is the perfect trip for those travelers wanting to experience NY City, have some free time in the city, and still have some of the highlights included in their package!
