

The following Senior Center policy proposal was developed at the February 28, 2018 meeting of the Policy Committee

Member facility rental discounts

Members are entitled to a discount for rentals at the center. Members are given a reservation priority until a deposit is made by a party. Membership of 1 year or more is required for discounts to be applied. Discounts for one rental in a calendar year are as follows:

Inactive Member

5%

An Inactive member is defined as a member who pays dues but does not participate in Center Activities such as games, cards, pool, meals, etc. Any INACTIVE dues paying member is entitled to a 5% discount when renting the facility for themselves or their immediate family.

Active Member

10%

An Active member is defined as a member who pays dues and regularly participates in Center Activities such as games, cards, pool, meals, etc., but has not volunteered more than 100 hours per year. Any dues paying ACTIVE member is entitled to a 5% discount when renting the facility for themselves or their immediate family.

Members with more than 100 hours of volunteer service

25%

Any dues paying member with more than 100 hours of volunteer service in the previous year shall enjoy one 25% discount when renting the facility for themselves or their immediate family.

Hours of volunteer service is based on a one-year tally of volunteer hours.

If a member elects to rent the facility more than once in a calendar year, one rental shall be at the first stated level (5%, 10%, 25%) and any subsequent rental shall be at a reduced rate of 3%, 5%, and 10% respectively.

Members of the immediate family include spouses, parents, children, grandchildren and siblings

The effective date for this policy is May 1st, 2018 and is not retroactive. All scheduled rentals confirmed before this date do not qualify for any discounts.

The Calendar year will be May 1st to May 1st for volunteer hour computation.

The discount rates are for the rental of the facility only and don not affect the security deposit amount or setup/ cleanup fees. (Cleanup consists of cleaning all rooms used by the renter including the kitchen.) All costs for damages to the center will be taken from the security deposit at full cost.

If a member wants to rent the facility on a given date and a nonmember or organization has already asked for that date and paid a deposit fee, the member cannot supersede that party. If a nonmember or organization wants to rent on a given date and a member has already paid a deposit for that date, the nonmember or organization cannot supersede the member's request.

When a member arranges to rent the facility, deposit must be paid in full at that time to hold that date.

If two or more members are of the same household, only one discount will apply to each rental; e.g., 2 members with 25% discount will not get a 50% discount for the rental.
